Becoming culturally competent Ideas that support practice

English Français

Welcome bienvenue | CNA AIC

The American Nurses Association recognized the need to provide culturally competent care and stated in the association's code that nurses, in all professional relationships, should practice with compassion and respect for the inherent dignity, worth, and uniqueness of every individual. The tragedy of the attack on the World Trade Center in New York City, which necessitated emergency ...

Culturally Competent Nursing Care - Critical Care Nurse

Intercultural competence is a range of cognitive, affective, and behavioural skills that lead to effective and appropriate communication with people of other cultures. Effective intercultural communication relates to behaviors that culminate with the accomplishment of the desired goals of the interaction and all parties involved in the situation.

Intercultural competence - Wikipedia

Culture (/ ˈkʌltʃ ˈtʃʌlʃ ˈtʃʌlʃ /) is the social behavior and norms found in human societies. Culture is considered a central concept in anthropology, encompassing the range of phenomena that are transmitted through social learning in human societies. Cultural universals are found in all human societies; these include expressive forms like art, music, dance, ritual, religion, and technologies like ...
