

decisions for health spanish pdf

The Spanish National Health System (Spanish: Sistema Nacional de Salud, SNS) is the agglomeration of public health services that has existed in Spain since it was established through and structured by the Ley General de Sanidad (the "General Health Law") of 1986. Management of these services has been progressively transferred to the distinct autonomous communities of Spain, while some continue ...

Spanish National Health System - Wikipedia

Gardens are integral parts of home landscapes. Gardens provide beauty in the form of colorful flowers, fruit, foliage, and bark. The beauty of gardens is enhanced by snow, blue skies, birds, and butterflies.

Advance care planning is not just about old age. At any age, a medical crisis could leave you too ill to make your own healthcare decisions. Even if you are not sick now, planning for health care in the future is an important step toward making sure you get the medical care you would want, if you are unable to speak for yourself and doctors and family members are making the decisions for you.
