Developing Cultural Adaptability: How to Work Across

Journal of International Business and Cultural Studies Cultural Adaptability, Page 3 competence in cultural management/communication, global knowledge, cultural diversity, and cultural adaptability for success in today's global marketplace. To better support the tenets of this research, these categories of literature were reviewed.

Cultural Adaptability among American and European - AABRI

involved in planning, developing, or delivering cultural training and education or in conducting research in those areas. Participants attended plenary session presentations by the Services' culture centers and other programs addressing cultural capabilities (see Appendix A for workshop program).

Developing Intercultural Adaptability in the Warfighter: A

The Development of Multicultural Competencies Major Objective To identify the competencies necessary for multicultural awareness, knowl-edge, and skills Secondary Objectives 1. To identify general global leadership competencies 2. To describe the race and culture specific attributes of multicultural competence 3.

The Development of Multicultural Competencies

Adaptability is also linked to the concept of strategy and appears to be more complex than a simple set of cultural values. The ability to adapt to changing conditions is an underlying premise of the strategic choice perspective (Child, 1972). In literature, but also in practice, strategy and adaptability are closely related
