

education in ancient india pdf

History. India is believed to have had a functioning system of higher education as early as 1000 B.C. Unlike present day universities, these ancient learning centers were primarily concerned with dispersing Vedic education. The modern Indian education system finds its roots in colonial legacy. The British Government used the university system as a tool of cultural colonization.

Higher education in India - Wikipedia

In secular usage, religious education is the teaching of a particular religion (although in the United Kingdom the term religious instruction would refer to the teaching of a particular religion, with religious education referring to teaching about religions in general) and its varied aspects: its beliefs, doctrines, rituals, customs, rites, and personal roles.
